

Brokers & Agents Wanted

Learn how we enables agents and brokers to offer healthcare benefits to small groups through our proprietary software.

Our Purpose

MyHealthily is on a mission to provide complete healthcare coverage, WOW customer service, and real savings to small businesses and the agents who serve them.

Our Platform

MyHealthily's software enables agents to offer affordable healthcare insurance and ancillary products to businesses with 1 – 100 employees.

Simple Enrollment - Our platform with a completed census, lets you quote, bind and send enrollment emails in one 30-minute meeting. Includes healthcare coverage and ancillary lines.

Timesaving Process - From online quoting, to binding, enrollment, and services, our platform takes the nonvalue added paperwork out of the process. Write business quickly, but more importantly, profitably.

Benefits Include

- Plans for full-time, part-time, and seasonal employees
- Quote & Enroll your clients anytime in about 45 minutes
- Healthcare plans include fully-insured, medically underwritten and alternative funded policies
- Ancillary products include dental, vision, LTD, AFLAC, and more
- All Paperwork is done electronically, and we take care of all administrative communications
- Renewals are a breeze
- Keep 100% of your commissions
